Dear Mr. Kesavaiah,

In connection with the recruitment stall which is being organized with the help of a technical recruiting officer whom the Military authorities are arranging to send at the Dasara Exhibition as part of the Defence of India Week, I think it would be a very attractive thing to have a list of Mysoreans who have already been recruited for War service which can be displayed at the stall. I understand that your office would have by far the most complete list of such people, and if there is no objection, I should be much obliged if you could kindly arrange to send me a list at your early convenience.

Yours sincerely,

*Godananda*

OM.

General and Revenue  
Secretariat

The final selection is made by the Central Interview Board at Delhi. Perhaps the I.S.B. may be able to give some names of those who have joined the Army from his Dept. (like Mr. Chetty who has been granted a Commission) The C.C. also may have some information. Since the list may not be exhaustive it is for consideration whether it is worth while calling for any information in the matter. For perusal and orders.

RS  
12/9

The C.C. may have particulars re: recruits enlisted for the Mysore State Forces, but this may not be the information wanted.

Re: persons recruited from the State subjects for the different branches of the War Service in British India, we have no authentic information and the Presidency may, if necessary, be requested to kindly intimate the names of such persons to the extent information is available with them.

Dear Mr. Kesavaiengar,

I am much obliged to you for your d.o. No. 750/W, of the 18th instant, and for the lists of Mysoreans who have applied for appointments in the various services connected with the War and of those who are already undergoing training in them. I am trying to see whether we cannot make an effective poster out of the figures they give for the enquiry office at the Dasara Exhibition.

Yours sincerely,
